Adverse Action

Akron General Medical Center
Akron, OH

Akron General Medical Center's Spiritual Care Department CPE Program at 400 Wabash Ave, Akron, OH 44307-2433 is suspended effective November 4, 2010 until March 1, 2011 based on the Center's non-compliance with terms of an assigned notation for Standard 300.1: "**All ACPE centers shall maintain compliance with ACPE Standards, reports, procedures, and fees, as detailed in the ACPE Accreditation Manual.**" Suspension is a function of unsatisfied requirements that include failure to send an Interim Annual Report to the Commission by the required date of September 1, 2010 including a written plan of action to come into compliance. Also, the Center did not make/complete formal requests for postponements including paying concomitant fees. The Center has not submitted plans to seek and employ or enter a formal contract with an ACPE CPE Supervisor.
