**Center Name:** HealthCare Chaplaincy Network

**Address:** 65 Broadway, 12<sup>th</sup> Floor, New York, NY 10006-2503

**Explanation:**

The Accreditation Commission voted at its November 2017 meeting to suspend HealthCare Chaplaincy Network's accredited status for continued lack of compliance with the following ACPE Standards: 300.1, 302.2, 302.3, 304.11, and 306.

To initiate the process for removing the suspension, the center must respond to the notations no later than April 15, 2018. If the center responds by this date, the Commission shall review the materials and take further action at its May 2018 meeting, either by lifting the suspension if all expectations and requirements have been met or by withdrawing accredited status. The center will be informed of the Commission's action no later than June 1, 2018.

Failure to respond to the notations by April 15, 2018, will result in the immediate termination of the center's accredited member status.

The center is allowed to complete units that are currently in progress, but may not begin new units, or admit new students to its program until final action of the Accreditation Commission is made public by June 1, 2018.
