### NOTICE OF SUSPENSION

**Commission Meeting Date:** May 6-9, 2018

**Notification Mailed to Center:** May 16, 2018

**Appeal Period Expired:** June 16, 2018 (Center did not file an appeal)

---

**Center Name:** G.V. (Sonny) Montgomery VA Medical Center CPE Center

**Address:** 1500 E. Woodrow Wilson Drive, Jackson, MS 39216

#### **Explanation:**

The center's accredited status is suspended as of June 18, 2018 due to a failure to respond to the notation that was assigned for Standard 300.1 at the November 2017 meeting of the Accreditation Commission.

To return to compliance, the center must develop a comprehensive, written plan that will ensure the timely enrollment and registration of student units and required reporting of the Accreditation Commission. The plan, as well as a complete student roster and the confirmations of the student unit submissions for two consecutive units of CPE that demonstrate the units were registered within the 45 day period, must be submitted. These materials must be submitted by September 1, 2018, in order for the Commission to review and take further action, either by removing the suspension if all expectations and requirements have been met, or by withdrawing accredited status, with notification to the center no later than November 19, 2018.

Failure to respond to the notations by September 1, 2018, will result in the termination of the center's accredited member status as of September 5, 2018.

The center may not admit new students to its program during the period that the suspension is in place.
